

## PLAY, PRAY, LEARN AND GROW!

Our preschool offers a unique educational atmosphere – one that will help your child achieve his or her full academic and spiritual potential.

The curriculum and teaching strategies at our schools are developmentally appropriate, allowing children to advance at their own pace. Each class is staffed by a certified and experienced teacher, with classroom aides assigned to assist as needed. The schedule provides a balance between small group and large group instruction, with opportunities for movement, song, art, and of course, plenty of play.

Faith is part of everything we do. Catholic traditions and holidays are observed throughout the year, and it is here that children learn to “Fully Rely On God.”

- Choose the schedule that fits your needs
- Be confident in our experience and proven strategies
- Remain involved in your child’s education

**The GTACS Preschool will be moving to the new building at Immaculate Conception once it’s completed.**

Even at age 3, every experience is an opportunity for learning. Developing healthy habits and consistent routines, interacting with peers and adults, being affirmed by loving Christian adults – all of these things help establish a solid foundation for future learning. Our day includes large group time, table time, free exploration time, outdoor play, and of course, snack and prayer! Curriculum is front-loaded into the day, with teacher-directed care and activities in the afternoon. **Child must be 3 by September 1, 2018.**

The early years of a child's life are crucial for establishing lifelong learning habits and our curriculum is specifically designed to encourage this mental development while providing a safe, Christ-like environment. Our day includes table time, large group time, prayer and story time and more. Teachers will present content in mornings, when kids are most receptive, but will continue to offer guided activities, story, and indoor/outdoor play for full day students. **Child must be 4 by September 1, 2018.**

The almost-ready-for-Kindergarten-student will love the challenge and variety offered in our PreK program. Emerging competencies will be encouraged as children grow in maturity. In addition to all the usual preschool activities (including library and art), students participate in gym class and are introduced to the Spanish language. By the time Kindergarten rolls around, they'll be ready to say, "Let's go!" **Child must be 5 by March 1, 2019.**
