

3rd grade STA Math April 15 -April 17

Dear 3rd grade students,

Happy Easter! I pray all of you had a beautiful Holy Week and a special Easter with your family. Over the next three days I would like you to follow and complete the math assignments that are posted on the third grade website for math. You can log into Khan Academy with the information that your third grade teacher sent you. In addition to your Khan Academy I would like you to complete the math enrichment worksheets.

Next week I would like to set up a time that we as a class can meet to discuss the assignments. I will send an email to parents to let you know the date, time, and source to be used for this meeting.

Thank you for all of your support at home! Please contact me with any questions or concerns you may have during our time apart. I miss seeing your beautiful faces and teaching you!

Easter Blessings,

Mrs. Elshaw

Assignments to complete for Wednesday - Friday:

- Complete assigned Khan Academy from your classroom teacher.
<https://www.khanacademy.org/mappers>
- **Enrichment Activities for April 15- April 17, 2020:** Please chose **two** of these math puzzles to complete. I will have you share on our next Zoom meeting.

Name: _____

Date: _____

Challenge #1 of 101

$$\text{Panda} + \text{Panda} + \text{Panda} = 21$$

$$\text{Snake} + \text{Panda} = \text{Raccoon}$$

$$\text{Panda} + \text{Snake} = 11$$

$$\text{Panda} + \text{Raccoon} + \text{Snake} = ?$$

Name: _____

Date: _____

Challenge #31 of 101

$$\text{cupcake} \times \text{cake} = \text{cookie} \div \text{cupcake}$$

$$\text{cookie} \times 2 = 8 \times 8$$

$$\text{cupcake} = \text{cupcake} \div \text{ice cream}$$

$$\text{cake} \times \text{ice cream} = 2$$

$$\text{cookie} \div \text{cupcake} \times \text{cake} = ?$$

Name: _____

Date: _____

Challenge #93 of 101

Happy Easter!

$$\text{Bunny} + \text{Flower} + \text{Bunny} = 9$$

$$\text{Beans} = \text{Egg}$$

$$\text{Egg} \times \text{Beans} \times \text{Egg} = 8$$

$$\text{Bunny} = \text{Egg} - \text{Bunny}$$

$$\text{Egg} \times \text{Flower} - \text{Bunny} + \text{Beans} = ?$$

Name: _____

Date: _____

Challenge #92 of 101

Happy April Fool's Day!

$$\text{🐒} + ? = \text{☂️} \times \text{😞}$$

$$\text{☂️} \times 3 = \text{😞}$$

$$14 - \text{😞} = 14$$

$$7 = 4 + ? + 3$$

$$\text{🐒} = \text{☂️}$$

$$\text{😞} \times ? \times \text{☂️} \times \text{🐒} = ?$$
