

# St. Bridget's Reading – Third Grade Assignments

April 15-17<sup>th</sup>

## Important Notes –

- Starting 4/20/20 Each student will be assigned a user id and password for Boomcards. These are interactive lessons we have created or purchased to teach current material and track progress. You will receive an email from me with this information.
- ReadWorks Passwords are the same from last week – please contact me if missing.
- Please remember your child is expected to complete the assignments by Friday unless you have contacted me. **There are two assignments to email me this week** (picture or scan).
- If your child completed last week's passages, a new one has been assigned.
- Beginning on the 20<sup>th</sup>, I will have a weekly zoom meeting for additional support.
- Please feel free to contact me with any questions! We are learning together!

### Math-

- ☐ Khan Academy
  - Use your Khan Academy Account and follow your classroom teacher's assignment- please focus on their assignment before doing other activities.  
<https://www.khanacademy.org/mappers>
- ☐ Playing Cards Multiplication Facts –
  - Shuffle the cards and place in 1 pile, face down on the playing surface.
  - Choose a times table to work on (1's, 2's, 5's and 10's)
  - Each player takes a turn
  - Multiply your times table by that card. For example: if you are working on 5's and draw a 7 then the problem is  $5 \times 7 =$
  - The player states the problem and answers it. If solved correctly the player keeps the card. If incorrect the card goes to the bottom of the pile.
  - The Ace card can be used as the number 11 or the number 1.
  - Kings, Queens and Jacks can be used as the number 10.
