

# St. Bridget's Reading – Third Grade Assignments

April 20<sup>th</sup>-24<sup>th</sup>

<p><b>Important Notes –</b></p> <ul style="list-style-type: none"><li>• Please check your inbox from me for passwords to ReadWorks and BoomCards. We will be monitoring your progress on these sites.</li><li>• Each week in Math we will have a new concept to learn and lots of review.</li><li>• Please practice your math facts at home. Addition, subtraction and multiplication. Mastering multiplication facts is very important for 4<sup>th</sup> grade.</li><li>• If you are looking for additional supplemental math, I would suggest following along with the classroom teacher's weekly Kahn assignments. These are an excellent resource for review.</li><li>• I am trying to have both paper and digital options. If printing is a problem, please feel free to have your child record his or her answer on a piece of paper. They only need to record the problem number and answer.</li><li>• Please remember your child is expected to complete the assignments by Friday at 3pm</li><li>• The items in Red need to be emailed to me.</li><li>• Please feel free to contact me with any questions or concerns!</li></ul>

- The focus today is reading all the words with more speed.
- Write down the time.
- Choose 1 page at a time
  - Put a Star next to any missed words (or make a little list if unable to print)
  - Write the missed words on flash cards or sticky notes and spread around the house. Review during meal prep, free time etc.
  - Practice using the sight words missed in a sentence.

### Math - Square Numbers

## Thursday

### Reading –

#### 1. ReadWorks –

- Log In With These Steps –
  - Go to [www.readworks.org/student](http://www.readworks.org/student) - enter class code
  - Find Your Name and enter Your Password sent to you last week
  - Read the Story – “Wild Calls In The Springtime Sky”
  - Second – Listen to the Story while following along reading it
  - Third – Answer the Questions (Go back and use the story to find your answers!)
  - Click Submit!

#### 2. Red Words –

<https://documentcloud.adobe.com/link/track?uri=urn%3Aaaid%3AscDs%3AUS%3A99fe5b6b-9edd-4eb0-85c4-0eeffb026f24>

- The focus today is spelling the words.
- Choose at least 10 words for your child to spell. I would recommend having them write down the words. If they make a mistake have them look away from the page and then look again. Does it look correct? Can you think of another way to spell it?
  - Put a Star next to any missed words (or just make a little list if not able to print)
  - **Email me the words you are working on spelling.**
  - To teach the spelling of a word have them tap each letter (not sound) across the table from left to right and slide hand after saying the word. Your child can also use the arm method as noted in this video.
  - <https://www.youtube.com/watch?v=9IBbXyR-2f8>
