

HOW TO ACCESS BOOKS (EBOOKS, AUDIO, REAL BOOKS)

As ALWAYS please be sure that you do some research into the title you want to read. Is it appropriate? Ask your parents!!! What is the book level and the interest level? Find out on www.arbookfind.com

- Amazon: Amazon offers a 30 day free trial for their Kindle Unlimited. You can download new magazines, books, and audiobooks. After 30 days your subscription will renew automatically unless you cancel before the free trial expires. It is easy to cancel a subscription. I also found some links online (do a quick google search) for a free two month trial. You do NOT need a kindle for these Kindle eBooks. You can download the Kindle app from your app store. Not every book is free with Kindle Unlimited. Just the ones labeled as such.
- Audible app: you can download a free 30 day membership and listen to one audiobook.
- Downtown Book Stores: Another great resource is our downtown book stores: Brilliant Books and Horizon Books. Please try to support these independent book sellers in Downtown Traverse City!!
 - Brilliant Books will ship any book that you want directly to you for free! They are available to answer the phone from 10-5 Monday-Saturday. 231-946-2665 extension 3. Their website is: www.brilliant-books.net. Brilliant Books also has a new service called Libro. You can download audiobooks to listen to, the difference is that once you download it, you own it. You don't have to return it. That website is: www.libro.fm/brilliantbooks
 - Horizon Books will also ship any book you would like. If they have a book in the store, they will get it to you via pick up in the alley behind the store. Their website is: www.horizonbooks.com. You can also email them at read@horizonbooks.com, or you can call them at: 231-946-7290

- Little Lending Libraries: Around town you can find free lending libraries. You can add some books and/or take some books to read. Here is a link for a map for the libraries around traverse city:

- Traverse Area District Library: Here is a tutorial on how to log into your TADL account: <https://www.youtube.com/watch?v=cJpJDR8Ef-c>

Hoopla and Overdrive are my favorites and will be the best for your needs right now. You can put ebooks on hold if they are currently checked out. Here is a video tutorial about Overdrive from Mrs. Parvel at TADL.

Here is a video about how to use Hoopla:

She states that only certain townships will let you use Overdrive or Hoopla for free. I do not live in one of these townships, and I can download for free. You will need a library card. If you don't have one, you can get one online here:

<https://catalog.tadl.org/card>

- YouTube listen: Sometimes books are read aloud on YouTube. Just search there for the title of a book and see if you can find it. These would be free!

Again...be sure the books are appropriate for you. This will take a little effort, but it is necessary and very important. If you have any questions, please email me at
