Today, we learned of a school-associated case of COVID-19 at St. Elizabeth Ann Seton Middle School.

- All middle school classes are **cancelled** for the half-day tomorrow, November 12, to allow the Grand Traverse County Health Department time to conduct contact tracing.
- Tonight's middle school basketball games have been **cancelled**.
- Virtual parent-teacher conferences previously scheduled for tomorrow afternoon/evening **will continue** as planned.
- The building will be **cleaned and sanitized** according to our rigorous procedures.
- The Health Department will conduct an investigation, notify any **Close Contacts** and advise those individuals regarding quarantine protocols.
- Please continue to observe recommended COVID-19 mitigation practices and remain mindful of the symptom and risks. The daily text/survey is intended for this purpose.
