

GTACS faculty, staff, and families,

Recently, we learned of the following COVID-19 cases in our school community:

- November 24, an adult at Immaculate Conception tested positive; any close contacts were notified
- November 25, an adult at Immaculate Conception tested positive; any close contacts were notified
- November 27, a student at St. Francis High School tested positive; any close contacts were notified

The Grand Traverse County Health Department's November 20 update had some helpful visuals:

- [Isolation and Quarantine Scenarios](#)
- [What To Do If You Test Positive](#)

We look forward to the return of our preschool, elementary, and middle school students on Monday while our high school students continue with their classes online.
