CASE NOTIFICATION

Dear GTACS faculty, staff, and families,

Today, we learned of a positive case of COVID-19 at Immaculate Conception Elementary School. The Health Department has reviewed the case and determined there were no close contacts stemming from this exposure.

Thank you for continuing to monitor for symptoms at-home before heading into school. We appreciate your diligence!

Our local Health Department recently provided new considerations related to travel. They are attached here, for your convenience.

Cathy Nelson
Director of Marketing & Communications
