

St. Elizabeth Ann Seton Middle School
7th Grade Suggested Summer Reading List
June 2021

The primary goal of our Summer Reading List is to encourage a love of reading. Students are not required to read over the summer, but in order to sustain and/or increase a student's reading level, it is important that he/she continues to practice the art of reading. Books chosen should be based on a student's own interest and abilities. Parents are strongly encouraged to discuss specific titles with their children to ensure a comfortable level of exposure to certain topics and subject matter.

- Choose something that is interesting and at an appropriate reading/age level.
- Classic literature is always a great place to start when choosing a book.
- Take a trip to TADL (Traverse Area District Library); there you will find a vast array of choices. TADL also has a Summer Reading program!
- Browse bookstores, talk with other students, or simply check out reviews online (www.goodreads.com is a great place to start).
- Choosing what to read is up to each individual. Don't feel overwhelmed!
