CAR LINE IN NEIGHBORHOOD

CAR LINE PROCEDURES

Enter carline from N. Elmwood regardless of the direction from which you came

All cars form a single line on Second Street

The car line enters the Church parking lot off N. Cedar Street and flows to the east parking lot where it divides into two lines (end of day only) and where attendants staff the loading zones

Do not block school, parish or neighbors' driveways

Preschoolers' older siblings will use preschool line

After exiting the drop off/pick up area, turn right onto N. Cedar Street OR go straight on Second Street; please do not attempt a left turn

If exiting via Randolph onto Division Street, turn right only
