

St. Elizabeth Ann Seton Middle School
6th Grade Suggested Summer Reading List

The goal of summer reading is twofold. First, we would like to help foster a life-long love of reading. Second, we don't want your reading skills to become rusty over the summer!

The books you select should be ones which you find interesting and are within your reading level. Try reading both fiction and non-fiction titles. Maybe you could even start a family or friend book club—the possibilities are endless!

- What are you interested in? Choose a topic which is age appropriate.
- Classic literature is always a good place to start!
- Go to one of the branches of the Traverse Area District Library—there you will find a huge selection of books to choose from. You can also participate in the summer reading program and earn prizes to reward you for all your efforts! Visit this link to sign up for the summer reading program on-line:
