

## Grand Traverse Area Catholic Schools

# Dining Services Information 2023-24

GTACS has **two options** for funding your child's lunches each week. Both options offer the advantage of eliminating the handling of cash in the dining room and expedite lunch lines so we can focus on the students and their daily interaction with healthy foods as a pathway to life-long wellness.

GTACS will be using a Point of Sale (POS) software debit system called Meal Magic for our student meal payment management. This system will allow us to automatically deduct your child's meal price from an account that you fund in one of the following ways:

### **OPTION 1: PAY BY CHECK**

Write a check to **GTACS Hot Lunch Program** for your child's meals. Families may fund their children's accounts in increments of 20 meals or more, per child, at a time. We are happy to accept payment for the entire school year at once and if, for any reason, there is a balance left at the end of the year, GTACS will refund the balance, or the amount can be rolled into the following calendar year. If a 20-meal increment is prohibitive for you, we will accept lower meal total funding as needed.

**Milk:** For families that routinely switch between hot lunch service and brown bagging, your child's milk can be purchased for 75 cents by using this POS debit system. This is the preferred method of payment to eliminate the quarters and dimes needed each week to pay for milk. Watch for chocolate milk on some days.

To help us expedite input of your funds, we ask that you either mail or drop off your checks to the St. Francis school office; Attention: Dining Services, 123 E. 11<sup>th</sup> St., Traverse City, MI 49684 or leave your payments for Dining Services with the front desk at your child's school site.

**Note:** If you have more than one child, please indicate how to break down the check total for each child. You no longer need to write a separate check for each child at a different school. One check can fund all of your children as long as we know how to break down the full amount for each child. If no information is provided, we will divide the check amount evenly between all children attending GTACS.

### **OPTION 2: ONLINE DEPOSIT**

You may also fund your child's account electronically by visiting <https://grandtraverse.familyportal.cloud>.

Users will be charged a processing fee from \$1.50-\$2.95 for each transaction but you may find the convenience is worth the fee. What's more, this system allows you **to view your child's lunch account balance**. (In Option 1 above, there is no way to view your account online.) To learn more about the service, please visit <https://grandtraverse.familyportal.cloud> and click on tutorial or register your student.

Your check or credit card payment is simply deposited into an account, and we keep a running total of the deductions each time your child receives a lunch. When you have questions about your account balance or would like your child's ID# to enroll in online deposits contact Karen Spencer, Dining Services Assistant, at 231-995-8454.

We encourage you to begin funding your child's account at any time. .

### **2023-24 LUNCH RATES (in 20 meal increments)**

**\*\*\* Immaculate Conception lunches ARE INCLUDED IN TUITION\*\*\***

Meals	SEAS	ST FRANCIS	\$3.85 per lunch

**Apply for free or reduced pricing for lunches online!**

The current economic climate in the State of Michigan and across the country has raised uncertainties for families. Job losses, buy-outs, and rising costs of living are all having a greater impact on families. Families who were previously managing sufficiently may now be finding it more challenging financially to make ends meet. If you find yourself in this situation, your student(s) may be eligible to receive reduced or free meals at school.

Applications are available at all school offices, and on the GTACS web site. To apply online, visit <https://grandtraverse.familyportal.cloud/> and follow the instructions for Grand Traverse Area Catholic Schools.

If you submit the application online, you do not have to fill out and submit a paper application. Whether you apply online or by paper application, once the application is processed a letter will be mailed to your home within (10) business days. If you have any questions regarding the free and reduced meal application process, please contact GTACS Dining Services at

## Carline Catering

Busy schedule? Order an evening meal to-go via our Carline Catering service. Here's how it works: Order by noon on Monday, and pick up your family-sized, school chef-prepared meal on Thursdays when you pick up your child. A full order provides 4-6 generous servings. Reheating instructions are provided. Costs vary depending on the entree. See the monthly lunch menu for descriptions.

Order via google doc

<https://tinyurl.com/y9sddn2j>

on Monday by noon.
