Shadow Day is a great time to visit our Catholic schools! Each visiting student is paired with a friend or peer with similar interests who serves as our guest's personal guide throughout the visit.

To help us ensure the best possible experience for all of our guests, pre-registration is required at least 24 hours in advance.

*An asterisk denotes a day on which prospective families may also choose to attend the *Experience the Difference* presentation. Admissions will provide parents with a personal tour upon request. Separate registration is required for this presentation.
