

# Shadow DAYS

**2024/25**

October 9  
November 13  
December 11  
January 8  
February 12  
March 12  
April 16

**Shadow Day** is a great time to visit our Catholic schools! Each visiting student is paired with a friend or peer with similar interests who serves as our guest's personal guide throughout the visit.

To help us ensure the best possible experience for all of our guests, pre-registration is required at least 24 hours in advance.

Prospective families may also choose to attend the *Experience the Difference* presentation (same schedule above). Admissions will provide parents with a personal tour upon request. Separate registration is required for this presentation.

Contact Admissions to customize a visit that fits your family's needs!

*After our daughter shadowed, she felt more confident about making the transfer, and we really feel it helped ease her transition to the new school.*
