

GLADIATOR ATHLETICS

We are very proud of our athletic traditions and successes as well as the recognition from the State for student athletes' academic excellence. Students who participate must keep in mind that they are representing not only themselves, but their school, their community, their church, their parents and their team.

For additional information, please contact the Athletic Department Office at (231) 946-1180.

Go to gtacs.org/athletics to find the link to submit your paperwork. If the athlete is not enrolled or does not have a valid physical on file, they will not be allowed to participate in any practices and/or games.
