

August 2026

Greetings,

St. Francis Gladiator Athletics is excited to announce that we are now offering the convenience of online registration through Arbiter Student Registration.

Arbiter Student Registration is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through Arbiter Student Registration, the system keeps track of your information in your profile. You enter your information only once for each family member for multiple uses and multiple programs.

Our school sponsored teams at both St. Elizabeth Ann Seton Middle School and St. Francis High School will begin using this program at the start of the 2026-2027 school year. Coaches will have access to the student accounts to access any necessary emergency information, maintain official team rosters, and send email communications to athletes and parents throughout the season.

If you have any questions about the Arbiter Registration online process, please contact Arbiter support at the phone number or email listed at the bottom of the next page. For all other questions, please email Jeremy Martinchek (jmartinchek@gtacs.org).

God Bless and Go Glads!
