Being in the choir helps with getting a lead role, but is not a requirement. A practice schedule is posted weekly but time involvement does increase during the final 6 weeks before the show. Tech crew members are also needed to help with costumes, props, staging, set building, lights, sound, etc. Most of these begin in January. Show dates are the second and third weekend of February. There is a cost to participate. Rehearsals and meeting times vary by role. *Advisor, Mrs. Hardesty*
